

Cakes for Sale!

You will need some cakes - these could be cut out from pictures in magazines or knitted or baked!
You also need some money in 1p, 2p and 5p coins and a dice marked 1p, 2p, 3p, 4p, 5p, 6p.

How to play

Set out the cakes as if in a shop with some prices.
Take it in turns to roll the dice and collect the money that matches the dice.
When you have enough money, buy a cake!
Continue until all the cakes have been sold.

Who has the most cakes? How much did they spend on cakes?
Who has the least cakes? How much did they spend on cakes?

How much is your favourite cake? Can you make some cakes with an adult?
